Lunch Byte Series
Pennsylvania’s Child Protective Services Law

WHAT: A Webinar Series designed to continue the conversations about the new Child Protective Services Law. Topics and presentations are designed in response to technical assistance requests we have received during and following the regional roundtables conducted earlier this year.

WHEN: Each session will be scheduled to start at noon and continue for no more than one hour. Sessions will be scheduled 2-3 weeks apart.

TARGET AUDIENCE: Staff and volunteers of PCADV’s 60 domestic violence programs.

HOW TO PARTICIPATE: All you need is a computer with speakers and Internet access. (Additional information about systems requirements are available here: http://support.citrixonline.com/webinar/all_files/G2W010003)

PRESENTERS:
Two members of PCADV’s CPSL Implementation Team will lead each session. For many of the sessions, we are also looking for local program experts to help us develop and deliver the discussions around various scenarios. Please contact a PCADV staff member if you would like to volunteer to co-present, or have a recommendation of someone we should invite.
