

# Men who condone or ignore violence against women

are no better than men who are violent toward women.

Stop a batterer.  
Support a victim.  
Save a life.

Call your local domestic violence program to learn more.

# A responsible father...

...uses his child's best interest as a guiding principle for his actions and decisions.

Unfortunately, not all fathers are responsible.

**Domestic violence is NEVER in the best interest of the child.**

Call your local domestic violence program to learn more.

# Did you **STRIKE OUT** as a father?

When he was 4, he cried when his father struck his mother...

When he was 8, he picked fights at school...

When he was 16, he struck HIS girlfriend...

Some children from violent homes may grow up believing that violence is OK – IT'S NEVER OK.

**Break the cycle of violence.**

Call your local domestic violence program to learn more.
